Lead Agency: Washington Department of Fish and Wildlife

The lead agency is providing updated information on this project which may be of interest to other agencies or the public. The updated information provided below does not substantially change the analysis of significant impacts in the existing environmental checklist.

The amended environmental checklist dated March 20, 1997, should be modified to reflect the following addition:

Green River, King County, WRIA 09.0001
Northwest 1/4, Section 30, Township 22 North, Range 05 East, WM, Between River Mile 25.5 and River Mile 26.5.

Based on the original environmental checklist and the updated information provided in this addendum, the lead agency has determined that a new threshold determination is not warranted. There is no comment period associated with this SEPA environmental checklist addendum.
